

COIN's Email Information Lists

COIN currently operates three public email announcement lists for the dissemination of information about COIN's work, and also about climate-change related events happening in Oxford and around the UK.

To subscribe, just send a blank email to the address for the list you wish to join. You will be sent an email requesting confirmation, to prevent others from gratuitously subscribing you.

Please note, we may occasionally promote events we believe will be of interest on our email lists that are not organised by COIN. However your email address and details will never be given or sold to anyone, for any reason whatsoever.

COIN Announcements

This list is for announcements and time-sensitive information related to COIN's work, and important events/alerts in the climate change movement.

To subscribe, send a blank email to: announce-subscribe@coinet.org.uk

National Climate Change Events

This list is an announcement list put out by COIN, detailing national events of interest to do with climate change. Note, events promoted on this list are not necessarily organised by COIN, but we believe they will be of interest to anyone who has an interest in COIN's work.

To subscribe, send a blank email to: national-events-subscribe@coinet.org.uk

Oxford Climate Change Events

Similar to our National Events list, but specific to events in Oxford, where COIN is based.

To subscribe, email: oxford-events-subscribe@coinet.org.uk

To unsubscribe from any of these lists, or manage your list preferences, view the [mailman interface](#)~~if~~you have any problems with the lists, please [contact us](#)
